Friend,

# WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

Today, I am honored to kick off his most ambitious fundraising campaign yet.

Friend, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. *Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying*.

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – by raising another \$10 million before the Federal Election Commission's 2nd quarter fundraising deadline this Thursday at midnight. Afterwards, our results will be covered heavily by the media.

Join my father and me, and chip in a \$10, \$20, \$50, \$100, or \$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?

#### **DONATE NOW**

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Friend – **convincing them** that a Trump presidency will mean they can <u>finally</u> believe in American again.

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

I hope you will stand with us today by rushing a contribution using this

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day**.

Friend,

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

**CHIP IN \$5 TO INDICT** 

**CHIP IN \$10 TO INDICT** 

### CHIP IN \$20 TO INDICT

### CHIP IN \$50 TO INDICT

### **CHIP IN MORE TO INDICT**

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney Blumenthal</u>.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

**CHIP IN \$5 TO INDICT** 

CHIP IN \$10 TO INDICT

CHIP IN \$20 TO INDICT

## CHIP IN \$50 TO INDICT

## **CHIP IN MORE TO INDICT**

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before

<u>June 30th</u>. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: <a href="INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES">INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES</a>.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. Friend, together, we are going to raise \$10 million before the June 30th FEC deadline.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney Blumenthal</u>.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

## CHIP IN MORE TO INDICT

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: <u>If the Democrats and liberal media want to make</u> <u>fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE</u>.

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair
Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: <a href="Months:INDICT">INDICT</a>
<a href="HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES">INDICT</a>

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. together, we are going to raise \$10 million before the June 30th FEC deadline.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: <a href="INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES">INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES</a>.

I just had to forward my brother Eric's email from yesterday to make sure you didn't miss it.

He wrote because **your support** is **crucial** to **my father**'s **success** in this race.

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

Eric explains below why we've set a **Trump-sized \$10 million fundraising goal** – which would SHOCK Hillary Clinton and the political establishment – and we now have less than 72 hours to make it happen.

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day**.

Please make your most generous possible contribution today, safely and securely, by following this link.

Thank you in advance for taking a stand to make Donald J. Trump our next President and Commander-in-Chief. And don't miss my brother Eric's email below.

Sincerely,

Donald J. Trump, Jr.

Subject: They Say We're Lying

Donald,

# WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

# <u>Today, I am honored to kick off his most ambitious fundraising campaign yet.</u>

Donald, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. *Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying*.

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

**That's why we set another Trump-sized goal**. We are working to shatter records again this week – **by raising another \$10 million** before the Federal

Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

Join my father and me, and chip in a \$10, \$20, \$50, \$100, or \$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?

#### DONATE NOW

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Donald – **convincing them** that a Trump presidency will mean they can <u>finally</u> believe in American again.

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

I hope you will stand with us today by rushing a contribution using this secure link.

Thank you,

Eric Trump

P.S. Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying. So we've set another Trump-sized goal to raise another \$10 million by Thursday at midnight.

Please chip in what you can to help make Donald J. Trump the next <u>President of the United States – your support by MIDNIGHT this Thursday</u> is crucial.

It was so historic and unprecedented that the liberal and unfair
Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: <a href="INDICT">INDICT</a> HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. Friend, together, we are going to raise \$10 million before the June 30th FEC deadline.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

# Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney Blumenthal</u>.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: <u>If the Democrats and liberal media want to make</u> <u>fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE</u>.

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair

Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

Date: Tuesday, June 28, 2016 7:40:43 PM

I just had to forward my brother Eric's email from yesterday to make sure you didn't miss it.

He wrote because **your support** is **crucial** to **my father**'s **success** in this race.

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

Eric explains below why we've set a **Trump-sized \$10 million fundraising goal** – which would SHOCK Hillary Clinton and the political establishment – and we now have less than 72 hours to make it happen.

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day**.

Please make your most generous possible contribution today, safely and securely, by following this link.

Thank you in advance for taking a stand to make Donald J. Trump our next President and Commander-in-Chief. And don't miss my brother Eric's email below.

Sincerely,

Donald J. Trump, Jr.

Subject: They Say We're Lying

Donald,

# WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

# <u>Today, I am honored to kick off his most ambitious fundraising campaign yet.</u>

Donald, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. *Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying*.

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

**That's why we set another Trump-sized goal**. We are working to shatter records again this week – **by raising another \$10 million** before the Federal

Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

Join my father and me, and chip in a \$10, \$20, \$50, \$100, or \$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?

#### DONATE NOW

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Donald – **convincing them** that a Trump presidency will mean they can <u>finally</u> believe in American again.

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

I hope you will stand with us today by rushing a contribution using this secure link.

Thank you,

Eric Trump

P.S. Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. *Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying.*So we've set another Trump-sized goal to raise another \$10 million by Thursday at midnight.

Please chip in what you can to help make Donald J. Trump the next President of the United States – your support by MIDNIGHT this Thursday is crucial.

## Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades: **INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES**.

**GIVE \$5 TO STOP HILLARY** 

**GIVE \$10 TO STOP HILLARY** 

**GIVE \$20 TO STOP HILLARY** 

**GIVE \$50 TO STOP HILLARY** 

## **DONATE TO STOP HILLARY**

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney</u> Blumenthal.

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal**, **lies**, **and deceit follow Hillary wherever she goes**.

We CANNOT let her win.

**GIVE \$5 TO STOP HILLARY** 

**GIVE \$10 TO STOP HILLARY** 

**GIVE \$20 TO STOP HILLARY** 

**GIVE \$50 TO STOP HILLARY** 

## **DONATE TO STOP HILLARY**

The latest nasty lie from Hillary? That she is crushing me in fundraising.

So, I decided this: If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.

I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th.

June 30th is the deadline to report funds raised to the Federal Election Commission.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your immediate donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do:

### INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. **Together, we are going to raise \$10 million before the June 30th FEC deadline**.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

**Date:** Wednesday, June 29, 2016 3:26:35 PM

Friend,

# \*\*LESS THAN 36 HOURS TO DEADLINE\*\* MR. TRUMP WANTS YOUR HELP

We're busy at Trump campaign headquarters this afternoon, so I'll get right to the point.

Friend, we're less than 36 hours until our end-of-quarter fundraising deadline, and we want EVERY Trump supporter to pitch in <u>immediately</u>.

On Monday, we challenged our supporters to help show Hillary Clinton what we're made of and raise \$10,000,000 in just days.

But our records show we have not heard from you yet.

Will you join us and help reach this goal with a \$10 today?

**CONTRIBUTE \$10 IMMEDIATELY** 

**CONTRIBUTE \$20 IMMEDIATELY** 

**CONTRIBUTE \$35 IMMEDIATELY** 

**CONTRIBUTE \$50 IMMEDIATELY** 

**CONTRIBUTE \$100 IMMEDIATELY** 

Friend, Mr. Trump set this end-of-quarter fundraising goal to prove Hillary Clinton and the liberal media wrong.

They desperately want voters to believe we don't have the grassroots support to win . . . because they want to steal away this election, and continue Barack Obama's radical agenda to "transform" our country.

I know you agree we can't let Lying Crooked Hillary anywhere near the White House again.

Friend, Mr. Trump wants EVERY supporter standing with him to get our country back to winning again.

The career politicians have failed the American people. Now, they will do anything to hold onto power in Washington. <u>That's why we are counting on your help</u>.

Please chip in whatever you can right away.

For America,

Paul Manafort
Campaign Chair and Chief Strategist, Trump for President

P.S. Mr. Trump is counting on patriotic Americans like you, who are fed up with the failed political class. **We have less than 36 hours to reach our goal and show our grassroots support**.

Please help Mr. Trump take on Lying Crooked Hillary by making an immediate contribution.

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney</u> Blumenthal.

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal, lies, and deceit follow Hillary wherever she goes**.

We CANNOT let her win.

The latest nasty lie from Hillary? That she is crushing me in fundraising.

So, I decided this: <u>If the Democrats and liberal media want to make</u> <u>fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE</u>.

I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th.

June 30th is the deadline to report funds raised to the Federal Election Commission.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your immediate donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our

nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. **Together**, we are going to raise \$10 million before the June 30th FEC deadline.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: <a href="INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES">INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES</a>.

Subject: The system is rigged

**Date:** Tuesday, July 5, 2016 5:11:47 PM

## It's unbelievable, (b)(6);(b)(7)(C)

The FBI confirms - Hillary lied and compromised National Security

I'm sure you saw the news today . . .

Despite finding 110 emails containing highly classified information, in 52 different email chains, the FBI has recommended no charges against Hillary Clinton for her dangerous email practices.

The system is rigged — we must hold Lying Crooked Hillary accountable at the ballot box in November.

## STOP HILLARY

FBI Director James Comey described Hillary Clinton as "extremely careless"

in her handling of classified information.

He even detailed how her terrible decisions led to huge security risks as she gallivanted across the globe.

And what did Lying Crooked Hillary say less than a year ago?

"I'm confident that this process will prove that I never sent nor received any e-mail that was marked classified."

**110** emails were found containing classified material . . . including "top secret" information, AFTER Hillary and her cronies deleted 30,000 emails and failed to turn over hundreds more.

She's careless. She's incompetent. And she thinks she's above the law. Yet no charges are recommended against Crooked Hillary.

<u>Plain and simple: this reckless behavior should disqualify Hillary Clinton from the Presidency.</u>

Unfortunately, the FBI's announcement today should come as no surprise. **The system is rigged for the powerful elites like Lying Crooked Hillary**.

That WILL change if I am elected to serve as the next President of the United States. But I need friends like you helping us continue building momentum behind Team Trump.

#### STOP HILLARY

I had been aggressively urging the FBI to hold Lying Crooked Hillary accountable. Now it is clear that is not going to happen – we must hold her accountable this November at the ballot box.

This election is the trial, and the American people are the jury.

I will be counting on your help to defeat Clinton and her cronies, to end the

rigged system and Make America Great Again.

Best Wishes,

**Donald Trump** 

Candidate for President of the United States

## Congratulations.

With your previous donation, you played a huge role in the success of a fundraising effort that was so historic and unprecedented that even the *Washington Post* was forced to admit it was "*the most successful in American politics.*"

With your help, our campaign:

- Raised \$2 million in just 12 hours on June 21
- Raised \$3 million its first day
- Met and exceeded its \$10 million dollar fundraising deadline goal

And now we are proud to report that we raised an astounding \$51 million in June! And most of that was just in the last ten days!

This was the result of our first major fundraising push. Unbelievable. how I know voters are excited about the leadership that Mr. Trump will bring to our country.

But, let me implore you: WE CANNOT STOP THERE. As Mr. Trump stated in an email last week: "I will not stop there. I didn't start this fight . . . but I WILL end it."

And you can help him end the fight. Stay engaged. Keep fighting in the trenches with us. If you would like to make an additional donation, I would encourage you to use the link below.

## https://secure.donaldjtrump.com/51million

Every dollar that comes through the doors will be yet another nail in the coffin for Crooked Hillary's campaign and ensure she never sees the inside of the White House ever again.

For now, on behalf of Mr. Trump, thank you again for standing with him at this crucial turning point for our nation. You helped make our first ever fundraising initiative a historic success!

Sincerely,

Brad Parscale

# \*The system is rigged, FBI DIRECTOR JAMES COMEY IS TESTIFYING RIGHT NOW

This week the FBI confirmed it – Hillary Clinton has lied repeatedly about her emails, and she compromised our national security.

But FBI Director James Comey has let her off the hook.

This is a disgusting example of just how badly the career politicians have rigged the system.

We must hold Lying Crooked Hillary accountable at the ballot box in November, and I need your help. Please stand with me at this critical time.

Hillary said there were no classified emails on her private server, but Comey's investigators found 110 emails improperly stored on her unsecure server

containing highly classified data, including "top secret" information!

Despite that, Comey refused to recommend charges against her.

While he's testifying, will you join with me and send a message to the corrupt DC establishment?

#### STOP HILLARY

Lying Crooked Hillary has been extremely careless and incompetent. **She clearly thinks she's above the law**.

We must defeat her, We know the FBI refused to hold Lying Crooked Hillary accountable. But working together, we can hold her feet to the fire.

This 2016 presidential election is the trial, and the American people are the jury. I need your help to defeat Clinton and her cronies, to end this rigged system and Make America Great Again.

This was a HUGE week for Team Trump.

On Tuesday, Mr. Trump sent out the very first fundraising email of this campaign. <u>It was a record-shattering success</u>. If you were able to help, thank you.

And if you just haven't had a chance to yet, **please take a moment to chip in today**.

Our goal was to raise \$2 million in 48 hours, which Mr. Trump committed to match \$1 for \$1. It took just 12 hours to hit this mark – stunning the Clinton campaign and the liberal media!

On Wednesday, Mr. Trump hit it out of the park when he delivered a scathing indictment of world-class liar Hillary Clinton's disastrous record and dangerous agenda.

It has been hailed as the speech conservative Republicans have been waiting <u>decades</u> to hear from their presidential nominee.

, will you stand with Team Trump at this critical stage of the campaign with a \$10, \$25, \$50, or \$100 contribution, or more if you can?

On Thursday we launched the "Lying Crooked Hillary" campaign – a new website and series of videos detailing Clinton's Legendary Lies. The first video has already received an amazing 2.5 million views, and nine more videos will be released in the weeks ahead.

, Team Trump is taking the fight to Lying Crooked Hillary like nobody has ever done before.

And on Friday, Mr. Trump released a powerful statement commending UK voters for taking a stand for freedom and independence. <u>They voted to take their country back and determine their future</u>, just like the American people can do on November 8, 2016.

To win on Election Day we must continue building our momentum. Please chip in today to help us make voters believe in America again.

Please stand with us to make Donald J. Trump the next President of the United States.

Thank you,

Paul Manafort

Campaign Chair and Chief Strategist, Trump for President

It has been hailed as the speech conservative Republicans have been waiting <u>decades</u> to hear from their presidential nominee.

(b)(6);(b)(7)(C) will you stand with Team Trump at this critical stage of the campaign with a \$10, \$25, \$50, or \$100 contribution, or more if you can?

On Thursday we launched the "Lying Crooked Hillary" campaign – a new website and series of videos detailing Clinton's Legendary Lies. The first video has already received an amazing 2.5 million views, and nine more videos will be released in the weeks ahead.

Team Trump is taking the fight to Lying Crooked Hillary like nobody has ever done before.

And on Friday, Mr. Trump released a powerful statement commending UK voters for taking a stand for freedom and independence. <u>They voted to take their country back and determine their future</u>, just like the American people can do on November 8, 2016.

To win on Election Day we must continue building our momentum. Please chip in today to help us make voters believe in America again.

Please stand with us to make Donald J. Trump the next President of the United States.

Thank you,

Paul Manafort

Campaign Chair and Chief Strategist, Trump for President

## WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

Today, I am honored to kick off his most ambitious fundraising campaign yet.

desperate. First, they claimed we raised too little. *Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying*.

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – by raising another \$10 million before the Federal Election Commission's 2nd quarter fundraising deadline this Thursday at midnight. Afterwards, our results will be covered heavily by the media.

Join my father and me, and chip in a \$10, \$20, \$50, \$100, or \$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?

I just had to forward my brother Eric's email from yesterday to make sure you didn't miss it.

He wrote because **your support** is **crucial** to **my father**'s **success** in this race.

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

Eric explains below why we've set a **Trump-sized \$10 million fundraising goal** – which would SHOCK Hillary Clinton and the political establishment – and we now have less than 72 hours to make it happen.

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day**.

Please make your most generous possible contribution today, safely and securely, by following this link.

Thank you in advance for taking a stand to make Donald J. Trump our next President and Commander-in-Chief. And don't miss my brother Eric's email below.

Subject: Breaking: Hillary to be Indicted in November Date: Tuesday, June 28, 2016 9:20:52 PM

# **Every Election Day, politicians stand trial before the people**.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades: **INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES**.

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney Blumenthal</u>.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

CHIP IN \$5 TO INDICT

**CHIP IN \$10 TO INDICT** 

CHIP IN \$20 TO INDICT

CHIP IN \$50 TO INDICT

# CHIP IN MORE TO INDICT

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair
Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

# But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: <a href="Months:INDICT">INDICT</a>
<a href="HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES">INDICT</a>

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. (together, we are going to raise \$10 million before the June 30th FEC deadline.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

We're busy at Trump campaign headquarters this afternoon, so I'll get right to the point.

we're less than 36 hours until our end-of-quarter fundraising deadline, and we want EVERY Trump supporter to pitch in <u>immediately</u>.

On Monday, we challenged our supporters to help show Hillary Clinton what we're made of and raise \$10,000,000 in just days.

But our records show we have not heard from you yet.

Will you join us and help reach this goal with a \$10 today?

**CONTRIBUTE \$10 IMMEDIATELY** 

**CONTRIBUTE \$20 IMMEDIATELY** 

CONTRIBUTE \$35 IMMEDIATELY

**CONTRIBUTE \$50 IMMEDIATELY** 

**CONTRIBUTE \$100 IMMEDIATELY** 

Mr. Trump set this end-of-quarter fundraising goal to prove Hillary Clinton and the liberal media wrong.

They desperately want voters to believe we don't have the grassroots support to win . . . because they want to steal away this election, and continue Barack Obama's radical agenda to "transform" our country.

I know you agree we can't let Lying Crooked Hillary anywhere near the White House again.

Mr. Trump wants EVERY supporter standing with him to get our country back to winning again.

The career politicians have failed the American people. Now, they will do anything to hold onto power in Washington. <u>That's why we are counting on your help</u>.

Please chip in whatever you can right away.

For America,

Paul Manafort
Campaign Chair and Chief Strategist, Trump for President

P.S. Mr. Trump is counting on patriotic Americans like you, who are fed up with the failed political class. We have less than 36 hours to reach our goal and show our grassroots support.

Please help Mr. Trump take on Lying Crooked Hillary by making an immediate contribution.

Subject: Breaking: Hillary to be Indicted in November Date: Wednesday, June 29, 2016 3:40:02 PM

## A message from our sponsor

Friend,

**Every Election Day, politicians stand trial before the people**.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

**GIVE \$5 TO STOP HILLARY** 

**GIVE \$10 TO STOP HILLARY** 

**GIVE \$20 TO STOP HILLARY** 

**GIVE \$50 TO STOP HILLARY** 

**DONATE TO STOP HILLARY** 

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. <u>TravelGate</u>, <u>Whitewater</u>. The personal destruction of <u>Monica Lewinsky</u>. The <u>Rose Law Firm</u> scandal. And, of course, <u>anything</u> involving <u>Sydney Blumenthal</u>.

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal, lies, and deceit follow Hillary wherever she goes**.

We CANNOT let her win.

**GIVE \$5 TO STOP HILLARY** 

**GIVE \$10 TO STOP HILLARY** 

**GIVE \$20 TO STOP HILLARY** 

**GIVE \$50 TO STOP HILLARY** 

**DONATE TO STOP HILLARY** 

The latest nasty lie from Hillary? That she is crushing me in fundraising.

So, I decided this: If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.

I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th.

June 30th is the deadline to report funds raised to the Federal Election Commission.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your immediate donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do:

### INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. **Together, we are going to raise \$10 million before the June 30th FEC deadline**.

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

# It's unbelievable, (b)(6);(b)(7)(C)

The FBI confirms - Hillary lied and compromised National Security

I'm sure you saw the news today . . .

Despite finding 110 emails containing highly classified information, in 52 different email chains, the FBI has recommended no charges against Hillary Clinton for her dangerous email practices.

## STOP HILLARY

FBI Director James Comey described Hillary Clinton as "extremely careless"

in her handling of classified information.

He even detailed how her terrible decisions led to huge security risks as she gallivanted across the globe.

And what did Lying Crooked Hillary say less than a year ago?

"I'm confident that this process will prove that I never sent nor received any e-mail that was marked classified."

**110** emails were found containing classified material . . . including "top secret" information, AFTER Hillary and her cronies deleted 30,000 emails and failed to turn over hundreds more.

She's careless. She's incompetent. And she thinks she's above the law. Yet no charges are recommended against Crooked Hillary.

<u>Plain and simple: this reckless behavior should disqualify Hillary Clinton from the Presidency.</u>

Unfortunately, the FBI's announcement today should come as no surprise. **The system is rigged for the powerful elites like Lying Crooked Hillary**.

That WILL change if I am elected to serve as the next President of the United States. But I need friends like you helping us continue building momentum behind Team Trump.

#### STOP HILLARY

I had been aggressively urging the FBI to hold Lying Crooked Hillary accountable. Now it is clear that is not going to happen – we must hold her accountable this November at the ballot box.

This election is the trial, and the American people are the jury.

I will be counting on your help to defeat Clinton and her cronies, to end the

rigged system and Make America Great Again.

Best Wishes,

**Donald Trump**

Congratulations.

Our amazing supporters played a huge role in the success of a fundraising effort that was so historic and unprecedented that even the *Washington Post* was forced to admit it was "the most successful in American politics."

With your help, our campaign:

- Raised \$2 million in just 12 hours on June 21
- Raised \$3 million its first day
- Met and exceeded its \$10 million dollar fundraising deadline goal

And now we are proud to report that we raised an astounding \$51 million in June! And most of that was just in the last ten days!

This was the result of our first major fundraising push. Unbelievable.

is how I know voters are excited about the leadership that Mr. Trump will bring to our country.

But, let me implore you: **WE CANNOT STOP THERE**. As Mr. Trump stated in an email last week: "I will not stop there. I didn't start this fight . . . but I WILL end it."

And you can help him end the fight. Stay engaged. Keep fighting in the trenches with us.

Contribute to our momentum by pitching in \$3 today at the link below.

## https://secure.donaldjtrump.com/51-million

Every dollar that comes through the doors will be yet another nail in the coffin for Crooked Hillary's campaign and ensure she never sees the inside of the White House ever again.

For now, on behalf of Mr. Trump, thank you again for standing with him at this crucial turning point for our nation.

Sincerely,

This week the FBI confirmed it – Hillary Clinton has lied repeatedly about her emails, and she compromised our national security.

But FBI Director James Comey has let her off the hook.

This is a disgusting example of just how badly the career politicians have rigged the system.

We must hold Lying Crooked Hillary accountable at the ballot box in November, and I need your help. Please stand with me at this critical time.

Hillary said there were no classified emails on her private server, but Comey's investigators found 110 emails improperly stored on her unsecure server

containing highly classified data, including "top secret" information!

Despite that, Comey refused to recommend charges against her.

While he's testifying, will you join with me and send a message to the corrupt DC establishment?

## STOP HILLARY

Lying Crooked Hillary has been extremely careless and incompetent. **She clearly thinks she's above the law**.

We must defeat her, We know the FBI refused to hold Lying Crooked Hillary accountable. But working together, we can hold her feet to the fire.

Subject: Hillary Thinks You are the Problem

# If Hillary Clinton Thinks 100 Million Gun Owners are Murderers, Criminals and Assassins, What Sort of President Would She Be?

Not a GOA member yet? You can join Gun Owners of America today for only \$20!

# Dear(b) (6)

For years now, we have told you how Barack Obama and Hillary Clinton are "soft" on crime -- and instead insist on scapegoating 100,000,000 law-abiding gun owners for the horrific crimes committed by criminals and terrorists.

That point was made crystal clear by two contrasting events on the presidential campaign Tuesday.

On one hand, the radical Islamic father of Orlando mass murderer Omar Mateen was invited to sit behind Hillary Clinton at a heavily vetted rally in Florida's "I-4 corridor." Clinton refused to answer questions about Mateen's presence, and the Leftist anti-gun press largely gave pro-terrorist Clinton a "pass."

In North Carolina, on the other hand, Donald Trump was arguing that there is nothing anyone could do about Clinton judicial appointees, and added "Although the Second Amendment people -- maybe there is, I don't know."

For the record, the "gun people" that Trump refers to have been largely responsible for the defeat of

anti-gun nominee Merrick Garland as a "swing vote" on the Supreme Court.

And Gun Owners of America has our members to thank for this, as you have been very active in sending emails and postcards to your Senators in opposition to Garland.

So, if there's anyone in the country who could keep Clinton from packing the Supreme Court, it's us.

Trump, when he spoke, was just recognizing reality.

But how did the psychopathically unhinged anti-gun Hillary Clinton and her "puppet press" interpret the remark?

She and her surrogates accused Trump of threatening to have gun owners assassinate Clinton and her nominees. And her lapdogs in the press have spent the past 24 hours repeating this interpretation ad nauseum.

Look, there are only two ways to interpret what Donald Trump said. One can either think that:

- 1. Trump wants to use our political power to beat these judicial nominations in the Senate, as we did with Merrick Garland.
- 2. Or, you can swallow the press interpretation, which is that he's supposedly urging people to kill Clinton and nominated judges.

The latter interpretation is what Hillary Clinton and her puppet press typically thinks about the Second Amendment community -- that America's 100,000,000 gun owners are murderers, assassins, and criminals who are just waiting to go off half-cocked.

But it doesn't take a rocket scientist to understand what Trump was saying. Even the anti-gun Senator Sue Collins of Maine, who has vowed she will NOT vote for Donald Trump, had this to say on MSNBC:

I've been very critical of Donald Trump, but I actually don't think that's what he was saying [that he was advocating assassinations]. I think he was suggesting Second Amendment advocates around the country might be able to come together to pressure the Senate to reject [Clinton's] nominations should she become President.

It's so simple, even an anti-gunner like Collins can understand it!

This would not be first time Clinton has targeted gun owners. And it's pretty clear that Clinton, who appears to be "losing it" mentally, really believes the Second Amendment community is dangerous.

But we are not going to let Clinton get away with cozying up to a radical Islamist and violating federal espionage laws -- and then accusing us of being the criminals.

Whatever your political allegiance, please contact Donald Trump, and urge him to stand firm in his support for the Second Amendment. You can contact Trump by copying-and-pasting the message below using his email address or webform:

Dear Mr. Trump:

For years now, we have heard how Barack Obama and Hillary Clinton are "soft" on crime -- and instead insist on scapegoating 100,000,000 law-abiding gun owners for the horrific crimes committed by criminals and terrorists.

That point was made crystal clear by two contrasting events on the presidential campaign Tuesday.

On one hand, the radical Islamic father of Orlando mass murderer Omar Mateen was invited to sit behind Hillary Clinton at a heavily vetted rally in Florida's "I-4 corridor." Clinton refused to answer questions about Mateen's presence, and the Leftist anti-gun press largely gave pro-terrorist Clinton a "pass."

In North Carolina, on the other hand, the Leftist press couldn't goosestep fast enough when you argued that there is nothing anyone could do about Clinton judicial appointees, and added "Although the Second Amendment people -- maybe there is, I don't know."

For the record, the "gun people" that you referred to have been largely responsible for the defeat of anti-gun nominee Merrick Garland as a "swing vote" on the Supreme Court.

The members of Gun Owners of America have generated thousands upon thousands of emails and postcards into the U.S. Senate -- all in opposition to Garland.

So, if there's anyone in the country who could keep Clinton from packing the Supreme Court, it's GOA.

You were just recognizing reality.

But how did the psychopathically unhinged anti-gun Hillary Clinton and her "puppet press" interpret your remark?

She and her surrogates accused you of threatening to have gun owners assassinate Clinton and her nominees. And her lapdogs in the press are repeating this interpretation ad nauseum.

But, in so doing, the deranged Clinton has had to implicitly accuse America's 100,000,000 gun owners of being murderers, assassins, and criminals.

This would not be first time Clinton has made this accusation. And it's pretty clear that Clinton, who appears to be "losing it" mentally, believes this.

But we are not going to let Clinton get away with cozying up to a radical Islamist and violating federal espionage laws -- and then accusing us of being the criminals.

The bottom line? Please do not be intimidated and back down as a result of the brainless Leftist press. Please stand firm in support for the Second Amendment.

Sincerely,

Please do not reply directly to this message, as your reply will bounce back as undeliverable.

This is the first fundraising email I have ever sent on behalf of my campaign. That's right. <u>The FIRST ONE</u>.

And, I'm going to help make it the most successful introductory fundraising email in modern political history by **personally matching every dollar that comes in WITHIN THE NEXT 48 HOURS, up to \$2 million!** 

this means any donation you make between \$1 and \$2,700 (the maximum allowable contribution) will be matched, dollar-for-dollar.

Help make history by giving one of the amounts below:

\$10 DONATION [\$20 WITH MATCH]

## \$20 DONATION [\$40 WITH MATCH]

## \$25 DONATION [\$50 WITH MATCH]

## \$50 DONATION [\$100 WITH MATCH]

\$100 DONATION [\$200 WITH MATCH]

## **ANOTHER AMOUNT TO MATCH**

Even without this match, this initial effort would have been the most successful first fundraising email in history. I am certain of this. But let me tell you why I decided to match your donations.

The Democrats are desperate, and they're throwing everything they have at me. They just keep failing and losing.

Now they've sent out a very nasty email attacking me, all to raise a measly \$250,000. They even promise that a group of "all-star Democrats" will match every dollar raised.

They will say and do anything to elect Hillary Clinton, but I am standing in the way.

I'm fighting back against Crooked Hillary and her pathetic cronies, as well as the dishonest liberal media, and I need your help.

We can't let her back into the White House ever again.

The bottom line – Crooked Hillary has been a DISASTER for our country, and we must win against her this fall,

Let's make history again, and keep winning, by making this the most successful first fundraising email ever.

### **Double your impact by donating today.**

Let's show the liberals, the professional pundits, and the Washington establishment that this campaign IS NOT ABOUT ME. It's a movement of hardworking, patriotic people who want to MAKE AMERICA GREAT AGAIN.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. Help me make my first ever fundraising email the most successful fundraising email ever sent in the history of modern politics. Remember, I will PERSONALLY match your donation, but we must receive it WITHIN THE NEXT 48 HOURS.

Please stand with me today.

Donald,

This is the first fundraising email I have ever sent on behalf of my campaign. That's right. The FIRST ONE.

And, I'm going to help make it the most successful introductory fundraising email in modern political history by personally matching every dollar that comes in WITHIN THE NEXT 48 HOURS, up to \$2 million!

Donald, this means any donation you make between \$1 and \$2,700 (the maximum allowable contribution) will be matched, dollar-for-dollar.

Help make history by giving one of the amounts below:

\$10 DONATION [\$20 WITH MATCH]

**\$20 DONATION [\$40 WITH MATCH]** 

\$25 DONATION [\$50 WITH MATCH]

## \$50 DONATION [\$100 WITH MATCH]

# \$100 DONATION [\$200 WITH MATCH]

## **ANOTHER AMOUNT TO MATCH**

Even without this match, this initial effort would have been the most successful first fundraising email in history. I am certain of this. But let me tell you why I decided to match your donations.

The Democrats are desperate, and they're throwing everything they have at me. They just keep failing and losing.

Now they've sent out a very nasty email attacking me, all to raise a measly \$250,000. They even promise that a group of "all-star Democrats" will match every dollar raised.

They will say and do anything to elect Hillary Clinton, but I am standing in the way.

I'm fighting back against Crooked Hillary and her pathetic cronies, as well as the dishonest liberal media, and I need your help.

We can't let her back into the White House ever again.

The bottom line – Crooked Hillary has been a DISASTER for our country, and we must win against her this fall, Donald.

Let's make history again, and keep winning, by making this the most successful first fundraising email ever.

### Double your impact by donating today.

Let's show the liberals, the professional pundits, and the Washington establishment that this campaign IS NOT ABOUT ME. It's a movement of hardworking, patriotic people who want to MAKE AMERICA GREAT AGAIN.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. Help me make my first ever fundraising email the most successful fundraising email ever sent in the history of modern politics. Remember, I will PERSONALLY match your donation, but we must receive it WITHIN THE NEXT 48 HOURS.

Please stand with me today.

Yesterday my father sent his *first ever* fundraising email for the campaign and predicted it would shatter fundraising records.

### Once again, my father was right.

Yesterday's email was a massive success. My father offered to match up to \$2 million personally, \$1 for every \$1 donated, and in less than 12 hours we surpassed that goal. All because of supporters like you.

If you missed the email, you can read it in full below.

Now we need your help to keep up this incredible momentum. Please chip in today to help make my father, Donald J. Trump, the next President of the United States.

We all know what a disaster Crooked Hillary would be for this country if she were elected. And the only way to stop her is to stand together and fight against her fraud and lies.

If you haven't given yet, I'm asking you to **donate right now** to help out the campaign at this critical time.

Crooked Hillary has corrupt, deep-pocketed donors backing her. That's why your involvement and financial support is so important.

Please donate right now to help my father Make America Great Again.

Friend,

## Hillary Clinton is a world-class liar.

This much is a fact. But watching the mainstream media, you would never know it.

They simply refuse to call her on her lies. They'd rather spend their time and energy attacking me. It's great for their ratings and their bottom line.

We know we cannot count on the media to spread the very important message that Hillary Clinton is a liar and can't be trusted.

And that's why we've decided to take that message directly to the American people.

We've unveiled a brand new website, <u>LyingCrookedHillary.com</u>, and we're rolling out a series of videos – one on each of her biggest, phoniest fibs

#### and fabrications.

We released the first video earlier today and *EVERYONE* is talking about it. I wanted to ensure you had a chance to view it. <u>Watch it here</u>:

This first video covers her well-documented lying about Benghazi.

But, you just wait. We have 9 additional videos that will cover everything from her illegal email server to her laughable claim of being "dead broke" upon leaving the White House.

I want to make sure you don't miss any of the future videos because – trust me – you don't want to miss them. They will expose Hillary as a liar in a way the mainstream media never would.

To ensure you receive notification of each new video, and to receive other breaking updates and invitations from my campaign, please be sure to sign up to our text program.

Subject: They took their country back

Date: Friday, June 24, 2016 3:37:15 PM

Last night UK voters shocked the world.

I'm sure you saw the news, Voters in the United Kingdom chose to leave the flawed and failing European Union and reassert control over their borders, politics and economy, taking a brave stand for freedom and independence. It's been dubbed "Brexit" in the media.

These voters stood up for their nation – they put the United Kingdom first, and they took their country back.

With your help, we're going to do the <u>exact same thing</u> on Election Day 2016 here in the United States of America.

I am fighting to upend the failed Big Government status quo in Washington, so that Americans can start believing in the future of our country again. And if elected President of the United States, I will strengthen our ties with a free and independent Britain.

## Will you stand with me at this critical time?

Yesterday UK voters exercised their right to self-determination for all the world to see. And today, our friends across the Atlantic are looking forward to a return to greater freedom and a better future for their children and grandchildren.

Voters here face the same choice on Election Day.

the political elites didn't see this coming. Wall Street and the media didn't have a clue. And they want to believe just as badly that we cannot win in November.

**Let's send another shockwave around the world**. Let's take back our country from the corrupt career politicians and put Americans first. Let's redeclare our independence.

Please stand with me today to reclaim freedom from the corrupt Washington establishment and Make America Great Again.

Thank you.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

Subject: They took their country back

Date: Friday, June 24, 2016 3:11:19 PM

### Friend,

Last night UK voters shocked the world.

I'm sure you saw the news, Friend. Voters in the United Kingdom chose to leave the flawed and failing European Union and reassert control over their borders, politics and economy, taking a brave stand for freedom and independence. It's been dubbed "Brexit" in the media.

These voters stood up for their nation – they put the United Kingdom first, and they took their country back.

With your help, we're going to do the <u>exact same thing</u> on Election Day 2016 here in the United States of America.

I am fighting to upend the failed Big Government status quo in Washington, so that Americans can start believing in the future of our country again. And if elected President of the United States, I will strengthen our ties with a free and independent Britain.

## Will you stand with me at this critical time?

Yesterday UK voters exercised their right to self-determination for all the world to see. And today, our friends across the Atlantic are looking forward to a return to greater freedom and a better future for their children and grandchildren.

Voters here face the same choice on Election Day.

Friend, the political elites didn't see this coming. Wall Street and the media didn't have a clue. And they want to believe just as badly that we cannot win in November.

Let's send another shockwave around the world. Let's take back our country from the corrupt career politicians and put Americans first. Let's redeclare our independence.

Please stand with me today to reclaim freedom from the corrupt Washington establishment and Make America Great Again.

Thank you.

Best Wishes,

Donald J. Trump

Candidate for President of the United States
